

**Nim Patel, Chief Technology Officer**

Joined Bright by Three in July 2016

Nim oversees all technology and development of Bright by Text. He also supports the scaling and expansion of Bright by Text statewide and nationally. Nim is the Principal at NimbleIQ, a company that works with Business Founders to launch MVP's that solve real problems, and Business Owners/Managers to create software solutions that transform their business. Nim is an adjunct professor at the University of Denver, Daniels College of Business, and a Mentor for the Unreasonable Institute.
