ABOUT BRIGHT BY THREE

Bright by Three is a leading early childhood nonprofit organization. We empower parents and caregivers by giving them tools, strategies, and resources to promote early nurturing, health, and learning experiences so that their children are school-ready. While we welcome all participants who care for children from prenatal to five years old, our focus is on reaching families that are underserved. In 2017, more than 35,000 families benefited from our program. Our team is passionate about our mission and driving change through our research-based materials and launch of multimedia program enhancements. We approach our work with an entrepreneurial spirit, integrity, and an optimistic outlook.
